DISCUSSION NOTES	<p>Principal Report – Peebles and Arvayo will be attending ILA conference 10/16. Arvayo will attend in the A.M. and Peebles in the P.M. A lot is coming up this month: 10/20 – PTSA, 10/21 – parent meeting after school for the 8th grade end of year trip, 10/23 – Orchestra concert, 10/26 – District Professional Learning Day off site. A reminder to all teachers that they need to do their self-evaluation by 12/1. This year the self-evaluation will be worth 3 points. Observations are underway and are due by 12/1 also. From Mrs. Arvayo – Red Ribbon Drug awareness week is coming. Wednesday 10/22 there will be presentations to 8th graders in 4th period during SEL time. At this time we have limited presenters so this presentation will not be for 6th or 7th grades. Arrangements will need to be made for multi grade level classes.</p> <p>PTSA Report – Next meeting will be on 10/20 in the library at 5:30. The last couple of skate nights at Skate Country were a success. In August 120 students attended, in September 90 attended. Next skate night will be after the holidays. There will be a pretzel rod fundraiser to help pay for the 8th grade end of year trip to Jakes Unlimited. Parent meeting for this trip will be in the cafeteria on October 21st at 4:30-5:00 P.M. Book Fair will be December 15-18.</p> <p>TEA Report – No new updates. Keep an eye out for new contracts.</p> <p>Site Council undesignated funds – Current funds available are \$4987.16</p>
CONCLUSIONS	Still need to encourage tax credit donations. Need to add to Leadership Agenda, also add to parent square.

VI. Discussion/information items

ITEM TITLE	Tarp for the garden
DISCUSSION NOTES	Ms. Mlambo has not submitted a formal request yet but will be looking into funding for a tarp for over the top of the bike cage for her gardening activities. She may need to start a garden club and there may be some funding that is available from the state for coverings. A question arose regarding how to get water to the garden, and it was explained that there is water available by using a hose and an outdoor water spicket. But there is also a water barrel on campus that can be relocated to the bike cage to also provide water.
